

Presenting the 2007

Multimillion-Dollar Supplier Roundtable

We are proud to present the suppliers of the 2007 Roundtable – 241 industry leaders (more than in 2006) who have each earned an annual sales volume of \$5 million and over. Included in the Roundtable are the *Top 40* suppliers (shown in bold here), profiled on pages 134 thru 167 of this edition. The Gold designation lauds suppliers with sales volumes

of \$10 million or more; Silver honors suppliers with sales volumes of \$5 million to just under \$10 million. As with the Distributor *Top 40*, rankings are bound to hold a surprise or two! ASI and *Counselor* congratulate these supplier sales leaders for their achievements and welcome them to the 2007 Multimillion-Dollar Supplier Roundtable.
