

AN APP FOR EVERY OCCASION

Power 50 members name their favorite mobile apps

Dragon Dictation
Allows you to create texts or e-mails by simply speaking into your smartphone. Voice recognition software lets you see your message instantly.
Favorite Of: Carol Constantino, Noteworthy and Garry Hurvitz, Ash City

Drudge Report
Official app of the news aggregation website, readers have access to the latest headlines, with special alerts sent for developing stories. A new airplane mode functions offline.
Favorite Of: Jason Black, Boundless Network

Words With Friends
Based on the game Scrabble, this app challenges players to build words in a multi-user format. It's common to play 10 games at once against a friend or a random opponent.
Favorite Of: Mike Rhodes, Bodek and Rhodes and Jeff Lederer, Prime Line

Bamboozle
This digital sketch app lets you take notes, draw charts or just doodle away. At any time, you can quickly skim through your virtual book and share ideas, print pages or browse images.
Favorite Of: Glenn Oyoung, Tri-Mountain/Mountain Gear

Urbanspoon
Helps you find a good place to eat in a hurry. Uses GPS technology to locate restaurants, offers reviews and filters by meal price.
Favorite Of: David Nicholson, Polyconcept

TED
Provides complete talks given by experts in virtually any field. Set up a playlist and watch business leaders, music legends, medical gurus and other interesting people.
Favorite Of: Jo-an Lantz, Geiger and Kevin Lyons-Tarr, 4imprint

iScore Baseball
Keeps score of any baseball or softball game – professional or youth – and sends a live play-by-play stream to anyone who can't be there in person.
Favorite Of: Jason Miller, Camming Global

DailyBurn
Helps manage diet and fitness routines with calorie trackers and exercise training. Contains a database of over 350,000 foods with pictures and nutrition information.
Favorite Of: Greg Muzzillo, Proforma

iTranslate
Free universal translator that recognizes more than 50 languages – from Afrikaans to Yiddish. Offers 18 different voices and an updated conversation mode.
Favorite Of: Dave Thompson, National Pen Company

Shazam
Can't remember the name of a song? On command, this app records several seconds of a tune, then gives you the name of the artist, song and album.
Favorite Of: Jim Hagan, Sweda

Urban Dictionary
Defines more than five million slang terms often used in urban culture. Offers search and share options as well as a "Word of the Day" feature.
Favorite Of: Jay Deutsch, BDA

StumbleUpon
Directs you to websites based on your browsing interests. The app learns what you like and builds a personalized search engine profile.
Favorite Of: Paul Lage, Gill Studios

Other Favorites
Skype, HBO GO, ESPN SportsCenter, Pandora, Saltwater Fishing
