

Presenting the 2008

# Multimillion-Dollar Supplier Roundtable

**W**e are proud to present the suppliers of the 2008 Roundtable – 263 industry leaders who have each earned an annual sales volume of \$5 million and over. Included in the Roundtable are the Top 40 suppliers (shown in bold here), profiled on pages 138 through 166 of this edition. The Gold designation lauds suppliers with sales volumes of \$10 million or more; Silver honors suppliers with sales volumes of \$5 million to just under \$10 million. As with the Distributor Top 40, rankings are bound to hold a surprise or two. ASI and *Counselor* congratulate these supplier sales leaders for their achievements and welcome them to the 2008 Multimillion-Dollar Supplier Roundtable.
