Intro Text and Pages

- Design Studio

- Introductory Text

- Add a headline up to 200 characters

- Add your custom text in the next box up to 500 characters

- Save

- Design Studio

- Pages

- Your About Us page will default (or any page that you have alphabetically, before About Us). To change the page you want to edit, use the drop down on the top right of the edit box)

- In the text box tool bar, there are buttons to add images, hyperlinks, rules and lines. You can enter your address, symbols and make font changes. Justify left, center or right and indent/outdent your numbers and bullets. Change the borders and colors of text, create tables and spell check

  - If you hover over any button, a note will tell you what it does

- To create a new page, click "Create New Page"

- Add a Display name (this should have no spaces because it will be the page URL)

- Save
